Unnie's Taste

Story by Jang Jin & Com.

What are you doing?
Are you busy?
huh

Ah. Na-ri Teach
*They say idiots never get sick, vice a versa.
Are you organizing your studying materials? That's difficult. Work hard.
You know people who know every thing get sick.
Please don't sit on the desk.

So~ Do you know Yun?
Ignore her.
Pardon?

I saw you and Yun meet the day before yesterday.
I was wondering how you two knew each other.

Ah.. Teacher Jugal Yun?
She is my private tutor.

How do you know her?
She is my junior from school.

Ahh.. I guess you must be close.
Ayaka is what we're close.

Now we're.

I thought you had blocked me.
...

Yunju. Are you not going to school?
Please go.
I am not going.
Teacher.. are you messing with me?

Why would I be messing with you? I slept with you under consent.
If you sleep together then that means you're dating!
I only trust you, Teacher.
Ah.. this is making me insane.

Are you going to keep follow me?
Teacher! Teacher, think it over.

Go home now! I don't want to date a child.
How dare you. How can you say that?

Teacher!
or see?

I love you!
!!

Hey! Are you crazy? People will stare!
I can't let go! Not until you date me!

Come on why are you being like this!

Yunju, please...

Some

This looks interesting.

Why is she here...

Were you having a lovers quarrel?
How did she know where my house was?

I found where you lived.
It wasn't that difficult to figure out.

Go play somewhere else

Who are you to say that?

Yunju, go home right now.
No! Why should I
Go now before I call you father.

That was too much...

Unnie, stop it

Why did you get married?
